

## PRODUCT INFO

### Fire Machine 1H LPG

Type: Flame machine

SKU: MOTH-SFX-F1HLPG

EAN: 6097244622673

Compliance: CE, ROHS, FCC

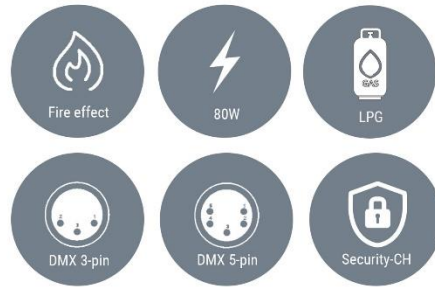

Warranty: 1 year

### Features

- Ignition success rate up to 98%
- Using gas consumable, easy to source
- Easily hidden on stage, increase the real shocking flame effect
- Machine angle sensor: The power will be cut off automatically, and the flame machine will stop working right away when it falls or is no longer straight up.
- DMX safety channel: Channel 1 is a safety channel of which 102-153 is open. When the fire machine's safety channel closes, the DMX fire machine won't jet the fire if you touch the DMX controller by mistake, which can avoid accidents.
